| • Portuguese | : Intermediate |

Personal Interests

Camping, Biking, Hiking, Sailing, History, Literature, Cartography, Language Learning, Instrumental music, Travel, Community Service.

Objective

To work in an energetic and growing company that will provide me with room to advance my career. I am looking for a position where I can make use of my technical and creative skills.

Professional Experience

12/ 2016 - Present

Full-Stack Developer | QuoteMule

- Team-built web application aimed at streamlining the contract bidding process between construction contractors and their clients.
- This project utilizes a **C# ASP.NET MVC & MSSQL** backend to implement a **WebApi 2** infrastructure running a **jQuery, AJAX & AngularJs** frontend.
- I was personally responsible for creating a **workflow state machine** using the .NET *Stateless* library, **drag-and-drop file-upload feature** with *DropZone*, and an interactive **AI powered chatbot** which leverages Microsoft's *LUIS machine learning* technology. I also contributed to implementing a **real-time messaging** and notification system powered by *Signal R*.
- I also made use of numerous other libraries and external APIs including, GMaps, Twilio, SendGrid, AWS, BrainTree, DropZone, Chosen, PDFSharp, and MigraDoc.
- In this project, the team has adopted industry best practices such as Agile/Scrum with Trello management, Dependency Injection, and Service-Oriented Architecture.

3/ 2017

Developer | Expedition Hackathon

- Hackathon hosted by the National GeoSpatial-Intelligence Agency.
- Working with data provided by the Descartes Labs to build a solution which predict and combats food shortages in Morocco.
- Employed Html, CSS, Bootstrap, JavaScript, jQuery, Carto, C#, ASP.NET/ MVC, MSSQL.

7/ 2016 - 12/ 2016

Data Analyst | AppleOne

Data processing and analysis. Microsoft Office Suite. Independently developed a Python application to format, update, and standardize employee records, along with other HR data.

Education

University of California, Irvine | Bachelor of Arts
